SELECTA - РОССИЙСКИЙ ПРОИЗВОДИТЕЛЬ СВЕТОДИОДНОГО ОСВЕЩЕНИЯ.

С 2012 года бренд производит светодиодное освещение и предлагает решения по освещению офисов, магазинов, торговых центров и складов. Оборудование для внутреннего освещения представлено на selecta.ru.

Собственное производство и инженерный отдел позволяет разрабатывать и изготавливать оборудование для проектов любой сложности. SELECTA предлагает особые условия сотрудничества для архитекторов и дизайнеров. Мы работаем совместно со студиями по дизайну интерьеров, архитектурными бюро, строительными и ремонтными компаниями, помогая воплощать в жизнь яркие идеи.

В 2020 году нами запущено новое направление
АРХИТЕКТУРНОЕ И ЛАНДШАФТНОГО ОСВЕЩЕНИЕ - SELECTA OUTDOOR

В SELECTA OUTDOOR свой отдел светодизайна, готовый разработать и представить заказчику лучшее из возможных решений. Совместная работа конструкторского отдела и отдела светодизайна, способствует повышению качества оборудования, соответствующих технических характеристик приборов и наработке теоретической и практической базы профессиональных знаний сотрудников.
